**Accounting
Principals**

Our Experience Counts.

At Accounting Principals, we offer a complete range of workforce solutions in accounting and finance through our nationwide branch network. We accomplish this through a combination of contract staffing, contract-to-hire, direct placement services, and more.

When you call us for assistance, don't be surprised if you end up speaking with a CPA or an MBA graduate. Our nationwide team of representatives averages five years' real-world accounting experience in addition to at least five

Accounting Principals provides professionals in a wide range of disciplines, including:

- CFOs
- Controllers
- Tax experts
- Accounting managers
- Staff accountants
- Payroll professionals
- SOX professionals
- A/P specialists
- A/R collectors
- Financial analysts
- Audit professionals

ACCOUNTING PRINCIPALS OUR EXPERIENCE COUNTS

years of recruitment experience. People who have been where you are. Today, more and more companies are turning to Accounting Principals because we speak their language.

Because of our unique experience, we understand your needs better. Using our advanced screening and matching capabilities, we provide the right people to meet those needs. We go far beyond the resumes of our consultants and candidates. We also assess all the intangibles to assure an ideal fit with your company and its culture. We are more than recruiters, more than human resource professionals. We've been where you are. Give us a call and see what we can bring to your business.

“I have a client swamped with year-end financials who needs major help reconciling the balance sheet and configuring an extensive depreciation schedule. Before joining Accounting Principals, I was an accounting manager with a Fortune 1000 company, so I know the type of experienced person it takes to handle those challenges, and that's just what I sent them.”

CONTRACT STAFFING

Our contract staffing services provide exceptional professionals to fill in for special projects, peak times, and other situations. When your workload exceeds or overburdens the capabilities of your full-time staff, Accounting Principals can provide the staffing solution.

Our contract services are especially popular among our clients. They give you the chance to evaluate a candidate's performance on the job, before you extend a full-time offer.

PERMANENT ADVANTAGES

Our direct hire services can save you money, and allow you to spend your time focusing on core business activities. With our network of outstanding financial and accounting candidates, our direct hire services can provide you with a handful of carefully selected professionals, saving you time, money, and distraction.

WORKFORCE SOLUTIONS FOR THE FINANCIAL WORLD

Costly hiring mistakes are minimized, and turnover is reduced because you're assured that the people you hire are right for your company.

“The workload of one of my clients is just like a hurricane. Raging one minute, calm the next, then raging again. As a result, earnings and productivity were down and costs were up. I suggested combining our contract and direct hire solutions to ride out all the ebbs and flows. It's been smooth sailing ever since.”

ENHANCING YOUR PRODUCTIVITY

At Accounting Principals, we analyze your company's long-term seasonal and business cycles to find the most cost-effective combination of full-time and contingent workers. Accounting Principals staffing services increase productivity and convert fixed costs to controllable, variable costs. Call, and we'll tell you more.

In today's rapidly changing economy, the most successful companies look beyond the walls of their own offices for help in managing their workforce. In the accounting and finance fields, leading companies look to Accounting Principals.

At Accounting Principals, we offer workforce management solutions that simply work better. Let us prove it to you.
